1. People in China and other Asian communities joined the global celebration of this millennium. On February 5, many people welcome the first day of the Year of the Dragon. The 15-day Chinese New Year festival marks the beginning of a new year and a new life. This Chinese Year is year number 4698.

2. The term «Mayday» is an internationally recognized radio signal which is only used when a ship is in great danger and needs help immediately. The signal is transmitted on a wavelength of 2.182 kHz, which is permanently monitored by rescue services on the shore. The use of this expression has a very straightforward explanation. It came from the French phrase «m'aidez», which means «help me».
3. In 1700, Henri Misson, a Frenchman visiting Britain asked villagers why they had horseshoes nailed above their doors. They said 'it was to keep witches away. Horseshoes are made of iron and the strength of the iron was thought to protect from evil. Still today they are thought to bring good luck and many brides carry silver ones at their weddings. The position of the horseshoe is very important. It must point upwards like a cup so that the luck cannot fall out.
4. Women generally live about six years longer than men. Evidence suggests that boys are the weaker sex at birth, which means that more die in infancy. Also women do not have as much heart disease as men. In terms of lifestyle, men smoke more than women and thus more die of smoking- related diseases. Also, they generally have more dangerous occupations, such as building work.
5. Scientists say that rats can help to look for earthquake survivors buried in the ruined buildings. Dogs are already used to search for people, but rats can be even more useful. Like dogs they've got a great sense of smell, but scientists still need to train rats to sniff out people and to carry special radio transmitters to let them know when the survivor is found. Rats may also be trained to find bombs or explosives.
6. Dinosaurs roared for about 150 million years before they disappeared. We humans have only been around for about 2 million years. But cockroaches are 350 million years old and still going strong! Cockroaches can survive in extreme conditions. They can be frozen, then thawed, and walk away as if nothing had happened. They can go for incredibly long time without eating anything. And that is the secret of their success!

1. Ask your parents for permission to have a party. Decide what kind of party you want and whether it will be held indoors or outdoors. Send written invitations to your friends. Tell them what kind of party you are having, at what time, where, and whether or not the guests should wear costumes. Make a list of games you would like to play. Ask your mother to help you prepare refreshments. Ice cream, cake, cookies, and lemonade are good for any party.

2. This activity makes everybody laugh. Have the guests sit around the room. Choose one person to be a pussycat. The pussy must go over to a guest and do his/her best to make the guest laugh. He/she can make funny meows and walk around like a cat. The pussy goes from one guest to another until someone laughs. The first one to laugh becomes the new pussy.

3. It's easy to make a cake from a cake mix that you get from the grocery store. You usually add only water or milk. Cake mixes come in many flavours, such as chocolate, lemon, banana, vanilla and others. When you make a cake from a mix, always follow the directions on the package carefully. Then you can be sure that your cake will turn out right and your guests will enjoy it. Many mixes have a small envelope of powdered frosting hidden inside the flour.

4. As you ride on a bus with your friends, get someone to start singing. Everyone joins in. At the first crossroad, another person starts a different song, and everyone joins in. Keep changing songs at every crossroad.

5. Looking after cats is easy. They wash themselves every day and eat almost any food. Cats like to drink milk and cream. But they need to be fed fish, beef, liver, and other kinds of meat. They need a clean, dry bed at night. You can use a basket or a cardboard box for your cat's bed. Cats like to play with a rubber ball or chase a string.

6. You can have a whole army of toy soldiers made of tin, wood or plastic. Some may be dressed in fancy uniforms, some may be sitting on horses. Others may be ready for battle, carrying guns and shoulder packs. You can have soldiers from other countries, or only Civil War soldiers or only modern soldiers. If you get two soldiers that are alike, trade your extra soldier with another toy soldier lover.

7. Even animals get involved in elections. The donkey and elephant have been political symbols in the USA for more than 100 years. Why? In 1828, Democrat Andrew Jackson ran for president. In the 1870s, newspaper cartoonists began using the elephant to stand for the Republican Party.
